Mission

The mission of the Scurry County Museum is to be an educational research resource for our community and all who visit through engagement with the diverse history and culture of Scurry County.

Vision

We aspire to stimulate creative thought through an environment that inspires our community and cultivates a passion for history and culture by providing thought-provoking and interactive research opportunities, collections, events, exhibits, and educational programming that is accessible to everyone.

MEMBER BENEFITS

By being a member at the Scurry County Museum, you allow us to keep admission and programming for families free! Your membership has a direct impact on our community by allowing us to host field trips for local elementary school students, preserve local history for future generations, and create a place that inspires our community.
